Do you mind answering this for me since we went over it together. The document with details is in the March 2010 Financial Statements folder.

Thanks

Hi Courtney,

Would you provide a bit more detail of why these adj were needed for the auditors?

The bulk of it is from accruals for 3<sup>rd</sup> party service installs that need to be reversed. About \$50k relates to old Iontas Invoices and we have cancelled our contract with them and settled everything so we don't owe them anything anymore. Let me know if you need more details.

Nice meal for two approved by SH for the winner.

The winner does not necessarily mean the biggest number. The best qualitative entry wins the prize.

Good luck.
